### **§ 3 Principles of Processing Personal Data**

Personal data are all information relating to an identified or identifiable natural person. This includes information such as your name, age, address, telephone number, date of birth, e-mail address, IP address or user behavior. Information that cannot (or only with a disproportionate effort) be referred to your person, e.g. by anonymizing the information, is not personal data. The processing of personal data (e.g. the collection, retrieval, use, storage or transmission) always requires as legal basis your consent.

We may collect and use personal data to provide information to you about us, to market products and services, to process orders or applications submitted by you, to create products or services to meet your needs, to seek your feedback or to contact you in relation to those services offered on our websites, to provide you educative Information to help resolve your problem and/or to help build your knowledge as also to allow you to subscribe to our newsletters.

Processed personal data will be deleted as soon as the purpose of the processing has been fulfilled and no legally prescribed retention obligations are to be observed.

In case we process your personal data for the provision of certain offers, please find below information about the specific processes, the scope and purpose of data processing, the legal basis for processing and the respective storage period.

This website is not intended nor aimed for the use or access by children below 18 years of age.

### **§ 4 Data Processing**

#### **1. Website**

##### **a. Scope and Purpose of the Processing**

When you access and use our website, we only collect the personal data that your browser automatically transmits to our server. This information is temporarily stored in a so-called log file. The following personal data is recorded to the extent necessary for the provision of a functional website and our contents and services:

- IP address of the requesting computer
- Date and time of access
- Name and URL of the retrieved file
- The website from which access is made (referrer URL)
- The used browser and, if applicable, the operating system of your computer as well as the name of your access provider

##### **b. Legal Basis**

Art. 6 (1) lit. b GDPR serves as the legal basis for the data processing. The processing of the mentioned data is necessary for the provision of our services and thus serves the protection of a legitimate interest of our company.

c. Data Deletion and Storage Time

The data subject's personal data are deleted or anonymized as soon as the purpose of the storage is fulfilled. The collection of data for the provision of the website and the storage of data in log files is absolutely necessary for the operation of the website. Consequently, there is no possibility of objection for the user. Further storage may take place in individual cases if this is required by law.

2. Registration / Creation of account

## § 5 Transfer of personal data

### 1. Third Party transfer

We only share your personal information with third parties if:

- you have given your express consent pursuant to Art. 6 (1) lit. a GDPR,
- it is legally permissible and necessary for the fulfilment of a contractual relationship with you pursuant to Art. 6 (1) lit. b GDPR,
- there is a legal obligation to pass on the data in accordance with Art. 6 (1) lit. c GDPR,
- the disclosure pursuant to Art. 6 (1) 1 lit. f GDPR is necessary to assert, exercise or defend legal claims and there is no reason to assume that you have an overriding interest worthy of protection in not disclosing your data.

### 2. Transfer within the Lupin group

We transfer personal data between our entities and <any other entities/processors/third parties> for the purposes explained above.

Your personal data is stored in databases, and on the servers of the cloud-based database management services that Lupin engages, located within and outside EU.

### 3. Data transfer abroad

We may have databases in different jurisdictions. If required, we may transfer your data to one of its databases outside your country of domicile. Where we transfer personal data outside of the EU, we

either transfer personal data to countries that provide an adequate level of protection (as determined by the European Commission) or we have appropriate safeguards in place. Appropriate safeguards to cover these transfers are in the form of standard contractual/data protection clauses adopted by the European Commission.

In such event if the level of privacy protection in such country of database does not comply with recognized international standards, we will ensure that data transfers to such databases in that country are adequately protected and that the transfer of data to third parties in such countries will not occur unless Lupin implements the standards it generally follows to maintain the personal data.

## **§ 6 Cookies**

### **a. Scope and Purpose of Processing**

We use cookies on our website. Cookies are small files which are sent by us to the browser of your terminal device and stored there as part of your visit to our internet pages. Some functions of our website cannot be offered without the use of technically necessary cookies. Other cookies allow us to perform various analyses. Cookies are, for example, able to recognize the browser you are using when you visit our website again and to transmit various information to us. We can use cookies to make our internet offer more user-friendly and effective, for example, by tracking your use of our website and by determining your preferred settings (e.g. country and language settings).
